Hi Tom,

Can you call me to discuss the AZ 303(d) list?

Hi Kimby,

Please see the attached, at this time and as so far as I am aware these are the whole of the written communication about the tributaries to Queen Creek conversation in regards to the 303(d) List.

Please note there is also a *draft* Queen Creek TMDL electronic document that arrived from ADEQ recently as part of our standard early engagement practice in support of our state partner.

Thank You,  
Matt
